## **Our Views and Policy Regarding Investment Unit Reduction**

### 1. Views on the reduction of investment units

Sysmex recognizes that reducing its investment units is an effective measure to expand its investor base and invigorate the stock market.

### 2. Policy on the reduction of investment units

Sysmex will consider a reduction of the investment units of our company shares as necessary, considering future trends in the stock market, the price of our company shares, changes in the composition of shareholders, and other factors.

Notes: This disclosure is carried out pursuant to Rule 409 of the Securities Listing Regulations (Disclosure of Lowering Investment Units) as prescribed by Tokyo Stock Exchange. Sysmex is subject to the rule because its investment units exceeded JPY 500,000, calculated based on the daily final price for the last fiscal year of Sysmex (the fiscal year ended March 2023).
